Re: Priddis Music, Inc. v Trans World Entertainment Corporation

Dear Judge Homer:

This firm represents the defendant in the above-captioned matter. I write in response to counsel for Priddis's letter dated April 26, 2006, wherein Mr. Gellhaus requests a conference with the Court next week to assist the parties to resolve certain discovery issues.

While Trans World has no objection to the conference scheduled for Thursday, May 4, it should be noted that counsel for Priddis requested the conference prior to any attempts to meet and confer about objections to the Trans World's discovery efforts. Counsel for Priddis has made no attempt to identify their specific objections or request further information. Indeed, the letter requesting the conference was the first indication that Priddis counsel was unsatisfied with Trans World's discovery efforts.

Trans World remains amenable to any request to meet and confer regarding objections to its discovery efforts.

Respectfully submitted,

Mike Endler / RCT
